PROFESSIONAL SUMMARY

ACCA Part-Qualified (9/13, including Taxation, Audit and Assurance, and Financial Reporting) Finance & Accounting graduate currently working as a Junior Auditor at Vedas Vision Accounting and Auditing LLC, delivering regulatory compliance audits and VAT/corporate tax support across a 20+ client portfolio in the UAE gold and precious metals (DPMS) sector, including a client group with combined financials exceeding AED 7 billion. Prior experience includes a full-scope physical stock audit and internal controls review at Helios Perfumes. Strong analytical foundation in IFRS-based financial statement analysis, audit testing and sampling methodology, and UAE regulatory compliance (FTA VAT, UAE Corporate Tax Law). Seeking to bring audit rigor and hands-on regulatory experience to a tax advisory or assurance role in the UAE.

TECHNICAL SKILLS

Tools & Platforms: Zoho Books, QuickBooks, EmaraTax Portal (reference), MS Excel (Advanced), SQL (Basic Queries)

Additional: DCF Valuation, M&A Modeling, Company Profiling, Market Research, Data Analysis

Certifications: Introduction to Business Analysis (IBM, 93.33%), Strategy & Game Theory (IIM-A, 90.93%), J.P. Morgan Investment Banking Job Simulation

PROFESSIONAL EXPERIENCE

Vedas Vision Accounting and Auditing LLC

Dubai, UAE

Junior Auditor

April 2026 – Present

- Deliver regulatory compliance assurance across a portfolio of 20+ gold and precious metals (DPMS) sector clients — including a client group with combined financial statements exceeding AED 7 billion — by conducting audit testing and sampling procedures reviewed and signed off by senior auditors.
- Support VAT and corporate tax compliance for 7–10 clients by reconciling VAT figures and schedules and gathering supporting client documentation, in accordance with UAE Federal Tax Authority (FTA) requirements and UAE Corporate Tax Law.

Helios Perfumes

Ras Al Khaimah, UAE

Internal Auditor (On-Site)

December 2025 – January 2026

- Uncovered a 2% inventory-accuracy discrepancy rate previously undetected by existing controls, by conducting a full physical stock count across 3 warehouses (40 racks × 20 columns each) and reconciling results against system records.
- Diagnosed the root cause of recurring stock variances — inconsistent warehouse organization causing misplaced inventory to be mistakenly reordered — by sampling and testing over 15% of receiving notes against procurement and goods-receiving records.
- Reported the finding and recommended corrective actions verbally to the supervising manager, which were noted for future warehouse-management improvements.

Sales Neuron

Dubai, UAE

Business Development Executive

September 2025 – October 2025

- Increased qualified leads 35% by researching and profiling a pipeline of 400+ prospective B2B clients and prioritizing high-fit targets through structured market analysis.
- Contributed 15% territory revenue growth by managing client relationships and negotiating engagement terms from initial diligence through close.

CRY Foundation (Child Rights and You)

Bangalore, India

Finance Intern (Remote)

June 2024 – August 2024

- Contributed to resource allocation decisions across 5+ NGO programs with a combined budget of INR 500,000, by supporting financial planning and budget tracking for program leads.
- Compiled 2 financial reports over a 2-month engagement, supporting grant documentation and stakeholder-transparency requirements.
- Informed program feasibility and donation-timing strategy by tracking spending against funds collected across programs, surfacing which program types were most financially sustainable and which periods of the month generated peak donation collections.
